

MVLP LUNCHEON MEETING MINUTES
January 13, 2025

Prior to the meeting being called to order, President Jean Kraus introduced the guest speaker Amber Walden, Vice Principal, Mammoth/San Manuel School District.

Amber started by giving us a brief history of her time with the M/SM SD starting in 2015 with her decision to become a teacher up to her current position as Vice Principal and Acting Principal. In 2019-20 the District became one physical school covering Pre-Kindergarten to Grade 12. They currently have 535 students. She thanked the Putters for our generous contributions to the school over the past years and our 2024 donation for new graduation robes for the Pre-Kindergarten class. The new robes are a powder blue and came with matching caps. Funds not used for the robes are held for teachers to use for needed classroom supplies throughout the year as well as assistance to the Juniors and Seniors for the cost of AP testing. She then opened the floor to questions and ended by again thanking us for our support.

The meeting was called to order by President Jean Kraus at 12:00. In her President's report she covered the following:

- The curb painting has finally been done.
- Golf management has agreed to using pavers to create permanent locations for the benches. She has requested to be part of the placement decisions.
- Phyllis Meierhenry is retiring as Web Master. We are looking for candidates with computer skills. Phyllis will stay on until a replacement is found and provide training as needed.
- Annual Meeting is scheduled for Wednesday January 22nd. New members arrive at 8:15, returning members at 9:00. Be sure to bring your personal calendar, a check for membership (which remains at \$72.00) and a separate check if purchasing a shirt or name tag.
- The Activities Fair will be held on February 8th. We will have a table with information to provide to interested ladies.
- As there were no announcements prior to putting this morning it is important to note that Maria Miller had a Low Gross the prior week at a whopping 33!
