Attention was drawn to the fun School Time table decorations and display.

Guest Speaker Amber Walden arrived and was introduced as the Principal of Mammoth San Manuel Unified School District where she has worked since 2017. She thanked the Putters for their generous contribution last year and how the graduating Kindergarten students will look so special in the caps and gowns we provided. In addition she said the remaining funds will be used to enhance the Life Skill classes especially for Adaptive Education. She invited anyone interested in having a tour of the campus to contact her and it can be arranged, although tours are suspended now until the Fall. She emphasized they promote a program of Positive Intervention and Support for all students. As a conclusion, Brenda asked that any Putters who had been educators to stand and be recognized for their contributions.

In conclusion was the much awaited unveiling of the new MVLP logo and shirt color and design. Lori Hill modeled the shirt and showed samples of

the vest and jacket that will also be available. She moved through the tables so all could see the shirt up close and feel the very nice texture of the material. Two Try-On events will be held and shirts can be purchased those days. The flyer with dates and times will be sent in a NewsBlast as well as being on the website. Brenda sent out a big Thank You to the Shirt Committee as well as our Sponsors who have allowed us to make the shirts very affordable for all.

As that concluded the business a motion was called for to adjourn the meeting and Sandy Strack made the motion with Pam Smith seconding. The motion carried and the meeting was adjourn at 11:58.
